

## 2017 Varsity Golf Team

Welcome back those players who played last year and welcome to all new players. I am looking forward to having a great season and getting to know each one of you. As you know, we play in a pretty competitive league and our goal is to get better each and every practice and each and every match. All the information you need is on the NCS website ([www.ncstrojans.com](http://www.ncstrojans.com)). Click on the Athletics tab in the top bar, choose 7<sup>th</sup> – 12<sup>th</sup> and then boys golf. There are some links where you will find all the information needed. Players must have an up to date physical (dated after April 15) and all participation forms should be completed and signed. If you drive you will need to complete the transportation form and return to me with a copy of your driver's license and proof of insurance. I will also need the other transportation form signed that indicates you may or may not ride with a licensed members of the golf team.

The team uniform will be khaki shorts or pants and a team shirt. All shirts are to be tucked in. The team shirt will probably cost somewhere in the neighborhood of \$50.00 and will be ordered when school begins.

Monday will be the qualifying day for the matches that are being held that week. Five players may play in a tri-match and six players in a dual match. Not all players will qualify but each player has the opportunity every Monday to do so. The players with the lowest score on the 9-hole qualifier will play.

Good sportsmanship is expected and proper golf attire and etiquette is a must at all times. If there is a question about a rule ask me or one of your playing partners and make sure you come to a complete agreement before playing the shot. Range finders may be used but NO cell phones are to be used during the match. It will be hot, so make sure that you bring plenty of water. Some courses may not have water on the course.

Before we leave for any matches or practices, players should meet in the parking lot of Northpoint in front of the East Wing to make sure everyone is accounted for and has a ride. On match and practice days you may store your clubs in my room (300) if you need to do so. Remember, you are not only representing you team, but yourself, and Northpoint Christian School. We want to be a good testimony and example.

Parents: If you plan on transporting students other than you own child, you will be required have a background check through the school if you have not already done so. Mrs. Amy Darby can help with that and the cost is \$20.
