

# ♥ Welcome to Kindergarten

We are looking forward  
to a fun and happy year with you  
at Northpoint Christian School!!!

You will learn about God's love for all His creation.

We cannot wait to get started!!!

## MISSION STATEMENT

**As a Christ-centered college preparatory school, Northpoint Christian School enables our students to:**

- **know and honor Jesus Christ**
- **grow in knowledge and wisdom**
- **reach their God-given potential**

## **UNDERSTANDING DEVELOPMENTAL GROWTH AND ACADEMIC SKILLS**

We feel that it is important that a child be developmentally ready for Senior Kindergarten. His chronological age is a guide, but we must remember that not all children develop at the same rate, and as parents and teachers, we should be ever conscious of this. We feel it is extremely important that a child be developmentally ready for tasks which will be required of him in first grade. A child may be cognitively capable, but not developmentally ready in other areas such as the physical, social and emotional. If he is developmentally young or immature, he would not be able to achieve at his maximum ability level. At the beginning of Senior Kindergarten and all through the year, we are constantly evaluating the child's natural cognitive abilities, experiential background, academic growth, and developmental or maturity level. All of these must be considered in "Readiness" for first grade. Four times during the school year you will be given a Skills Check List recording the specific achievements and developmental levels of your child. If we feel that any child needs a "Gift of Time" to grow another year before entering first grade, this will be shared with you. We want to work hand in hand with you in giving your child the best opportunity for having a successful and rewarding school experience.

**NCS policy for entering SK - must be 5 by August 1 and fully potty-trained.**

### **DAILY CLASS TIMES**

**Parents are expected to walk their children to their designated class daily and pick up from the classroom at dismissal times.**

PROMPTNESS in bringing your child is important. Class is from 8:15 a.m. to 3:00 p.m. except on Wednesdays when they are dismissed at 2:30 p.m. for teacher faculty meetings. Trojan Care is available from 7:00 a.m. and until 6:00 p.m. each day for an additional fee. At this time Trojan Care staff will begin caring for your child.

Although the preschool staff may be in the building please do not enter the building until 7:00 a.m. Additional late fees will apply for pick up after 6:05 p.m.

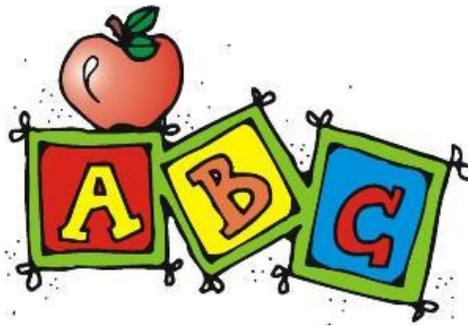

### **CHECK OUT**

If it is necessary for your child to LEAVE SCHOOL OTHER THAN AT NORMAL TIMES, please report to the Preschool Reception Desk for check out. Students will be released only to their parents or a previously designated person. Do not go directly to the classroom. The teacher and student will be notified. If the child returns the same day, the student or parent should report to the Preschool Reception Desk to check back in.

### **PICK-UP OF CHILDREN**

The pick-up of kindergarten children is controlled and monitored by the Preschool Reception Desk. Only the ones authorized on your online Contract of Enrollment will be allowed to pick up your child. Please send a note to the teacher if a different person other than ones previously listed will be picking up.

**A PHOTO ID WILL BE REQUIRED WHEN PICKING UP.**

## TROJAN CARE

Hours are 7:00 am - 6:00 pm. Children that need to arrive at school earlier than 7:45 am before classes and/or be picked up later than 15 minutes after dismissal may enroll in Trojan Care at the Preschool Reception Desk and are charged an additional fee for this service. (A schedule of fees are available on the website). You may want to discuss your individual situation with the Trojan Care Director. Please feel free to do so.

ANY CHILD PICKED UP LATER THAN 15 minutes after class dismissal or arriving before 7:45 am for class without enrolling in Trojan Care will be charged the "drop-in" rate fee for Trojan Care. Additional late fees will apply for pickup after 6:05 p.m. Parents who have their children enrolled in Trojan Care before or after kindergarten class will need to make arrangements with the Finance Office to pay fees using your SMART Tuition Management online account.

Trojan Care students will receive a snack after school as they arrive for after care. Students will play outside (weather permitting) participate in crafts, coloring, puzzles, circle time.

Trojan Care is also offered on Fall Break, three days at Thanksgiving, Christmas Break (not Christmas Eve or Christmas Day), Martin Luther King Day, Presidents' Day, Spring Break, and Easter Monday. You will receive a note indicating the time you need to reserve a place for your child. Parents must reserve a spot in advance for staffing purposes on these holidays and are responsible for payment of the days requested. There must be at least 10 students wanting care for it to be offered. The care will be billed and paid through the SMART Tuition Management account. Students must bring a lunch.

## CLOSINGS

### **TROJAN CARE WILL BE CLOSED ON THE FOLLOWING DAYS:**

New Year's Day

Good Friday

Memorial Day

Independence Day

Labor Day

Day Before Thanksgiving, Thanksgiving Day and the Day After  
Christmas Eve and Christmas Day

## REQUIRED FORMS

A copy of a certified birth certificate and current Mississippi #121 immunization form are required **prior to** the first day of school. If there has been a delay, contact the school nurse. The forms must be in **NO LATER** than one week after the beginning of school. If additional booster shots or inoculations are given, please send us a copy of the updated immunization form, signed by the health care giver, so that our files can remain current.

## CONTACT INFORMATION CHANGES

Please make sure that your child's teacher is aware of any phone number or address changes immediately. This is very important especially in the event of an emergency. If information has changed since the online contract was completed, please contact the school office with the up-to-date information.

## LIFE AT HOME

Be sure to let us know if there is an emotional disturbance or physical problem that might influence your child's school life and performance.

## LEGAL DECISIONS

Legal decisions regarding issues of *CHILD CUSTODY* will be respected. In fairness to parents and children, legal documentation of the rights of each parent is required in order to restrict pickup of a child.

## CONFERENCES

*FEEL FREE TO CALL* whenever you feel a conference would be beneficial to you, and we will do the same. We encourage you to confer with the teacher concerning your child, but please do not do so in his/her presence. Be supportive and positive in your conversations about your child's school and teacher and he will be confident and positive also.

## SCHOOL PROPERTY

We strive to maintain the school facilities and property in the most attractive and usable condition, and we expect students to assist in this effort. The parents of any student known to deface or destroy school property will be assessed the full cost of repairs and the student will be subject to discipline.

## POTTY TRAINING

We require that each child be *FULLY POTTY TRAINED* before entering Senior K (this means no pull-ups). The child should not need assistance in cleaning himself/herself. If accidents occur on a regular basis, the situation will be evaluated by the Administration regarding further attendance at Northpoint.

## CLOTHING AND PERSONAL ITEMS

Smocks are provided for activities such as painting. A change of uniform clothing will need to be left at school for each child (seasonal, i.e. shorts-summer, pants-winter) and placed in a labeled zip-lock bag.

PLEASE LABEL ALL CLOTHING ITEMS ESPECIALLY SWEATSHIRTS AND JACKETS.

## SCHOOL UNIFORMS

Beginning with the school year 2018-2019, all students in grades PK, JK, and SK must wear standardized uniform dress clothes purchased at Dennis Uniform. This includes all tops, pants, skirts, skorts and all outerwear that is worn in the building during the school day. Any coat may be worn to and from school and also on the playground. The specific items must be purchased from one vendor - Dennis School Uniforms. Additional guidelines are as follows:

- Preschool may wear NCS t-shirts and sweatshirts (that can be purchased in elementary office) along with their uniform bottoms.
- Hair must be neat at all times and such that it does not interfere with normal school activities.
- Boys' hair must be off the collar above the eyebrows, and a portion of the ear must show. Fads such as unusual color, cut or style (including Mohawks or "faux Mohawks) are not allowed.

**NCS volunteers manage a Consignment Store where you may purchase slightly used uniforms and/or you may sell your child's uniforms as they out grow them. Dates and times will be announced in the INTOUCH, our weekly emailed newsletter.**

NOTE: No dress code can address every issue, fad, or style that may arise; therefore, final authority for clarifying any issue rests with the Administration.

## DISCIPLINE

In the matter of discipline and child management, we want to help the child manage himself/herself in a positive way, always working toward self-control and good self-esteem. We respect the individual development of each child. Our teachers will use their best judgment when dealing with the children, understanding that individual personalities and situations require special methods and attention. All serious discipline problems will be discussed with the parents (ex: biting, hitting, fighting or any harmful acts towards others.) A parent-teacher conference will be requested if deemed necessary to discuss the best way to handle the situation. If the behavior does not improve, the child may be placed on probation for a 2 week period. At the end of this period, the child will be re-evaluated to determine progress made during this time. Please remember that the Senior K program/Extended Day Program at Northpoint is a school setting not a childcare. Northpoint reserves the right to dismiss any child if after entering he/she seems unable to participate in a group setting.

Any kindergarten student receiving two out of four conduct grades of "N" or "U" on his/her skills checklist or who has received discipline by the faculty or administration for a pattern of three or more major offenses will be placed on behavioral probation with the possibility of suspension or dismissal from school should the behavior not improve.

If your child registers at Northpoint after the first 9 weeks of the school year, he/she will be admitted on a probationary basis. After a week of observation by the teacher and assistants, the decision will be made on whether the child is developmentally ready for the academic program that we offer.

## COMMUNICATION

**CALENDARS** will be sent home monthly with important information. Please post these on your refrigerator or bulletin board. The Bible verse being studied each week will be on the calendar. The children are to memorize this verse each week. Please help them each day at home so they will feel good about themselves and be confident when it is their turn to say it on Friday. The calendars will also give the alphabetical letter being studied for the week, the units of study, special happenings, and field trips (dates, times, etc).

**FRIDAY NOTE HOME** is sent home each week with details to remind you of upcoming events.

**SK THREE-RING NOTEBOOK:** Children will bring their work and notes back and forth between school and home in a three-ring notebook. Please be sure this notebook comes back to school each day.

**LEAVE TOYS AT HOME PLEASE.** Please encourage your child to leave toys at home. We provide many items to help aide in their education. Toys are easily lost or damaged and it is very difficult to control this in a classroom environment. **PLEASE UNDERSTAND THAT WE ARE NOT RESPONSIBLE FOR LOST OR DAMAGED ITEMS.**

**SNACK CALENDAR** is sent home monthly. This has been designed to aide in your child's education. We encourage you to bring snacks that coordinate with the unit or letter being studied. Each child is assigned this on a monthly basis.

**SKILLS CHECKLISTS** will be sent home each 9 weeks.

**IN TOUCH NEWSLETTER** will be sent to the email addresses of the parents each Wednesday. The newsletter is also available weekly at [www.ncstrojans.com/NEWS/INTOUCH](http://www.ncstrojans.com/NEWS/INTOUCH).

**TROJAN TEXT** is an opt-in program. Parents must text 'ncstrojans' to 955-77. You will receive a text confirming you succeeded registration. NCS will receive texts sent from the school alerting of school closings, special announcements, reminders, etc. This is the quickest way to hear about the school closing for any reason.

## LUNCHES

**Lunch is from 12:15- 1:00 pm.** Please send a nutritious lunch, high in protein and vitamins. We recommend sending sandwiches, soups, pastas, fruits, and cut up vegetables. A small container of dip could be included. Please send a minimum of sweets. Send hot or cold things in a thermos. You may send a beverage in a thermos, i.e., fruit juice, but milk is provided. Please do not send soft drinks. Cut sandwiches in  $\frac{1}{4}$ 's. We find that the children will more readily eat the smaller portions. A neat note saying, "I love you and hope you're having a nice day," also adds joy to the members of the lunch bunch.

\*\*\*A hot meal or a sandwich option is available through the school cafeteria and may be purchased on a monthly basis. Order form and payment must be received in advance. Late payments are not accepted. The cafeteria handles all payments and inquiries about the meal plan. These meals are served in their classroom when the school cafeteria is open. During holidays from school or half-day dismissals meals are not served and a lunch must be brought from home.

*During holidays from school or  $\frac{1}{2}$  day dismissals meals are not served and a lunch must be brought from home.*

PLEASE BE SURE TO CHECK WITH TEACHERS ABOUT ANY FOOD ALLERGIES IN THEIR CLASSES.  
**Please let us know if your child has a food allergy.**

### SPECIAL EVENTS

- **Class room parties** include: Pumpkin Patch, Christmas, Valentine's Day, Easter Egg Hunt and End of School.
- The **KINDERGARTEN CHRISTMAS PROGRAM** will involve all the children and will be held during the morning hours in December. A Christmas tea time in the gym will follow the program. You will be notified of the exact date, time and location of the Christmas program.
- SK students will present an **END OF THE YEAR PROGRAM** and invite parents, grandparents and friends. SK does not have a "graduation" for this age because they are just beginning their school career. There will also be a cookie and punch reception to follow.

### GUIDELINES FOR FIELD TRIPS, PARTIES, AND CELEBRATIONS

PARENTS ARE ASKED TO SIGN IN AT THE PRESCHOOL RECEPTION DESK WHERE THEY WILL BE GIVEN A NAMETAG TO WEAR WHILE VISITING NORTHPOINT.

**CRIMINAL BACKGROUND CHECK IS REQUIRED**

Parents must complete a criminal background check (cost is \$20 for five years) in order to be involved in the classroom with the students or go on field trips. Form is available in the Elementary Office. You may pay online through your SMART Tuition Management account.

### **VOLUNTEER DRIVERS' FORM**

Each parent who will be driving on a field trip will need to submit a completed Volunteer Drivers' Form along with a copy of valid drivers' license and a copy of the insurance card. The license and insurance form are only required if you are carrying other students in your car.

### **OVERALL ROOM CHAIRMAN**

Each class will have an overall room chairman. The classroom teacher determines the responsibilities for this person. Some of the responsibilities may include:

- To contact parents to help plan and help with class parties.
- To contact drivers for field trips.
- To assist with school fundraisers.

### **PARTY AND FIELD TRIP PARTICIPATION**

We believe that having a schedule will enable us to be as organized as possible, have better planned class events and eliminate having some parents do everything while others feel left out. Please let the teacher or overall room chairman know with which parties you will help and on which field trips you can chaperone! If your work schedule doesn't allow you to participate by being here in person, please help by sending items for parties or perhaps by making party favors and sending them to school. You may volunteer these items or the overall room chairman may contact you.

Your involvement will be welcomed and greatly appreciated!

Things learned through a variety of life experiences are often more valuable than what is learned in an academic setting alone, especially at the kindergarten and primary levels. What may appear to be merely a trip to the zoo or pumpkin patch is an important part of language development. For example, studies show one of the most important factors in reading comprehension is that students be exposed to a

broad range of activities and experiences strategically planned. Field trips can also supplement other areas of the curriculum, including math, social studies, and science as well as social skills. You will be notified of the dates and times of field trips. Times will be posted on the scheduled day of each month's calendar. This note will also allow you to sign up as a driver for the field trip, if you would like to attend. If you would like to attend any of the field trips and are not scheduled to drive, please feel free to join us.

**IT WILL BE BEST IF SIBLINGS ARE NOT BROUGHT ON FIELD TRIPS, AS THEY CAN DIVIDE ATTENTION FROM THE STUDENTS. Also, later when the younger siblings are in this grade, the field trip will not be special for them.**

**A. Safety Rules to Enforce During Transportation**

1. Students are to wear Northpoint T-Shirts for identification.
2. Students must remain seated in their car or booster seat.
3. Students must keep hands, heads, or belongings away from windows.
4. Students must return from the trip with the same driver/vehicle unless other arrangements are made with the teacher.

**B. Parent-Chaperone/Drivers Responsibilities:**

1. Please refrain from purchasing items (toys, food, etc.) for yourself or your child when others have none on field trips. The teacher will make provisions for purchases of this nature prior to the trip, if this is to be done.
2. You might be entrusted with the care of several children. Keep these students with you at all times. Please continually "count heads" to make certain your group is intact.
3. Please return promptly to school following every field trip. There should not be any extra stops when you are transporting others to and from field trips. (ex. McDonald's, Wal-Mart, banks, gas stations, etc.) Please plan ahead so no unnecessary stops will be needed.
4. An adult must accompany children into restrooms. If you need to take a child to the restroom, ask a nearby chaperone to watch the remainder of your group or take the whole group with you.
5. Please refrain from smoking while on field trips or playing loud music in the car.
6. Assume the role of the teacher and talk with your group about things being seen in such a way that the trip will have been a good learning experience for the children.
7. Always check in extra children you are transporting with a teacher upon arrival at the school.

## IMPORTANT MEMO FOR CHILD SAFETY

TO: NORTHPOINT PARENTS, GRADES PreK-6th GRADE  
FROM: Allison Moffett, Elementary Principal  
RE: BOOSTER SEAT LAW

[Mississippi Dept. of Health site simply states](#), "children under the age of 7 years are now required to ride in a **properly-fitting child restraint** at all times."

The actual statute says:

- Children under the age of 4 year must be protected by properly using a child passenger restraint device or system meeting applicable federal motor vehicle safety standards.
- Children at least 4 years of age but less than 7 and who measure less than 4'9" or weigh less than 65 pounds shall use a belt positioning booster seat system meeting applicable federal motor vehicle safety standards. *SR4K note: Although the RideSafer® does properly position the vehicle's seat belt system it is not technically a booster seat. (The RideSafer brings the seat belt down to the child vs "boosting" them up.) However, the manufacturer, Safe Traffic System, will be releasing a booster seat which has been tested with the RideSafer® just for such cases. This would allow parents the additional safety of the energy absorbing materials of the vest while working within the letter of the law in the few states where the language actually does say "booster seat" rather than a more inclusive language of "child restraint". Of course, if followed to the letter, this Mississippi law would not allow children 4 and older to continue using a forward-facing 5-point child restraint even if they still fit appropriately.*

For the sake of consistency, all field trips that grades PreK-3rd grade take, whether in Tennessee or Mississippi, will require that all affected students (age 3 through age 8 and under 5 feet in height) be in a booster seat in the rear seat of your automobile. Likewise, all field trips that grades 4-6 take into the State of Tennessee or Mississippi will require that students be in a seat belt system in the rear seat.

The driver of the car is responsible for making sure those children under the age of sixteen are properly restrained and may be charged and fined \$50.00 for violation of the law. If the child's parent or legal guardian is present in the car but not driving, the parent or legal guardian is responsible for making sure that the child is properly transported and may be fined for non-compliance. This law applies to all automobiles that are driven in the State of Tennessee or Mississippi, whether your car is licensed in Tennessee or Mississippi.

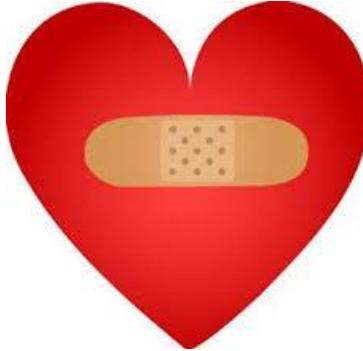

On the day of a field trip for students in grades PreK -3<sup>rd</sup> grade (for those students affected), parents will be asked to bring or send the booster seats to school. If a student does not have his/her booster seat, they will not be allowed to go on the field trip.

## ACCIDENTS - INSURANCE

### **Student Accident Insurance Coverage**

NCS has purchased the IS/IT Student Accident Insurance Coverage for each student which covers students in an accidental injury sustained while he/she is under the care and direction of the school. Claim forms and additional information is available in the school nurse's office

In case of an accident or illness to the child, the school nurse/ worker will promptly take such reasonable measures as are, in their judgment, in the best interest of the child and will notify the parent as soon as possible.

## ILLNESS OF THE CHILD

We are not able to keep any child who is sick. You would not want us to let someone else's sick child infect yours. You are urged to keep your child at home if he/she shows signs of illness. If a child has a fever of 100 degrees or more, he should not come to school. The child must be free of fever (without the aid of medication like Tylenol) for 24 hours. You are urged to keep your child at home.

Excessive amounts of yellowish green nasal discharge, severe or persistent cough, or a sore throat with swollen lymph nodes the child should stay at home or see a doctor. The child needs to be free of symptoms or have clinical clearance to return to school.

Untreated, watery or draining eyes need clinical clearance to return to school.

If vomiting and diarrhea (two or more loose, watery stools) child must be free of symptoms for 24 hours without the aid of medication before returning to school.

Untreated, exposed, and draining skin lesions should be covered with a clean dry bandage and taped on all four sides or have clinical clearance to return to school.

When your child stays home, please call and let us know the reason for the absence. Please send a note explaining his absence upon his return. Should the child have a serious and contagious illness, we need be notified immediately. The child will not be allowed to return until all danger of contagion is past.

**SHOULD YOUR CHILD BECOME SICK DURING THE SCHOOL DAY YOU WILL BE NOTIFIED.**

**Certain diseases or medical conditions may require the attention of a physician. We want to be notified of this illness.**

- **Impetigo** - a skin infection consisting of blisters, surrounded by a reddened area
- **Conjunctivitis** - an eye infection commonly referred to as "pink-eye". The eye will have unexplained redness and there may be a thick yellow drainage. The child may return when treated and free of symptoms.
- **Strep throat** - a serious throat infection usually accompanied by fever and requiring antibiotics. The child may return after fever is gone for at least 24 hours and the medication has been taken for 24 hours.
- **Chicken Pox, measles, mumps, rubella** and other childhood contagious diseases require careful monitoring and treatment. Children with chicken pox may return when the eruptions have dried and scabbed over.
- **Head lice** - a parasitic infection unrelated to cleanliness or quality of care. The child may return after receiving treatment, provided that the child is free of all "nits" in their hair.
- **Pinworms** - an intestinal parasite, the child may become restless and irritable and complain or be observed as having rectal itching. Children may return after treatment with prescription medications.
- **Bronchitis** - a condition characterized by a severe continuous cough that interferes with activity and well-being
- **Fifth Disease** - A contagious virus usually occurring in the spring in which intense rosy cheeks may be the only symptom. A doctor's visit may be necessary to rule out scarlet fever. There may be a low grade fever and usually there is intense itching. The rash will disappear in 5 - 10 days. If a pregnant woman becomes infected, it can harm her unborn baby. Your child may return when fever free for 24 hours without the aid of medication.

**SHOULD YOUR CHILD BECOME SICK DURING THE SCHOOL DAY YOU WILL BE NOTIFIED.**

## **GUIDELINES FOR THE ADMINISTRATION OF MEDICATIONS AT NORTHPOINT**

Medications should be limited to those required during school hours and necessary to maintain the student in school. The following guidelines are to protect the safety of your child.

- All medications, both prescription and over the counter, must have written parental consent.
- NO medications will be administered at school without written consent. Handwritten notes from home are not acceptable. The necessary authorization forms are provided in the nursing office and it is the parent's responsibility to complete the form and return it to the school nurse. These forms must be updated every school year and anytime a medication or dosage changes, you must submit an updated form. No changes in the administration of medication will be made until the form is submitted. A physician's signature is required on the authorization form for prescription medications.

### **PRESCRIPTION MEDICATIONS**

Prescription medications must be brought to school in the original pharmacy labeled container.

The container shall display:

- Student's name
- Prescription number
- Medication name and dosage
- Administration route or other directions
- Date of expiration
- Licensed prescriber's name
- Pharmacy name, address, and phone number

### **NON-PRESCRIPTION MEDICATIONS**

All non-prescription medications must be in the original container with a label identifying the medication and dosage schedules listed on the container.

No medication may be brought to school in a zip lock bag.

**The child's name, grade, and teacher must be affixed to the container.**

**Please send a note if your child needs to stay in the room during our playground time. Otherwise he will be required to go outside. We feel outdoor play is important. We go our weather permitting as long as the temperature is 40 degrees or above.**

PARTIIPATE IN THESE SPECIAL PROGRAMS AND ACTIVITIES TO HELP NORTHPOINT

- Box Tops for Education - We collect the Box Tops of Education found on many General Mills products. Simply cut out the special labels and send them to the teacher. We have some competitions between grades throughout the year. Each label is worth \$.10 for NCS. Ask your family and friends to clip the box tops also.

- Register your Kroger Plus Shoppers Card and choose Northpoint Christian School as the school to receive funds through their Community Rewards Program. This is the link to the Kroger website to register your card: <https://www.kroger.com/account/enrollCommunityRewardsNow>. Cards must be re-enrolled each year. The school name is notated on the bottom of your Kroger receipts.
- Collect nature items for science areas so that we can change displays frequently and keep the area interesting.
- Collect recyclable items for art and other projects. Any of the following would be helpful: computer paper, yarn, scraps of rickrack or any items that you might think safe and educationally useful. We also recycle "Happy Meal" toys and similar items for the treat box.

# Kindergarten

## A Senior Kindergarten Day

Class time is 8:15 am - 3:00 pm

Table Time

Large Group Activities

SMILA

Snack/Bathroom

Outside Play

Center Time (Social Studies and Science)

Lunch- 12:15 pm

Quiet Time

Math

Special Classes (times and days vary)

Computer, Music, P.E., Library, Spanish, Art

Prepare for Home

Dismissal at 3:00 pm

**CHAPEL IS 8:45 AM ON THURSDAY**

We ask students to bring \$.25 weekly for mission money. Elementary chooses a different missionary each month to support with our missions money.

**PARKING LOT PROCEDURES**  
**ATTENTION PARENTS! WE NEED YOUR HELP**

**For the safety of your children, please read and follow these rules for the parking lot.**

We must have the cooperation of parents, students, and all others responsible for picking up or dropping off students.

Please refrain from cell phone use when loading or unloading passengers. Do not wait in the lanes between the parking spaces.

\*There is only one crosswalk at the center walkway. No students or parents should cross traffic in any area other than the crosswalk.

\*You may load or unload passengers only in the three lanes closest to the building or in a designated parking space.

\*Obey teachers on duty at all times.

\*Maximum speed limit on the property is 15 mph.

*THANK YOU FOR YOUR ATTENTION AND COOPERATION IN THIS AREA.*
